Focus on your strengths, not your weaknesses.

Focus on your character, not your reputation.

Focus on your blessings, not your misfortune. - Roy T. Bennett

Blessing nurtures hope and wards off fear; it is a companion and assurance in time of peace and a consolation and hope in time of crisis. Blessing is indispensable in celebrations, initiations, rituals, sacrifices, and rites of passage. A special assembly was organised to seek God's blessings for a new session. The assembly commenced with the soulful rendition of the prayer song sung by the choir.

Father Irduday Kumar the main celebrant of the day sought blessings for us through his prayers.  After seeking blessings from God ; Holy water, a symbol of purification was sprinkled over whole institution and everyone present there .The assembly concluded with the national anthem.
