No human masterpiece has been created without great 'LABOUR'!

1st May is celebrated as 'International Labour's Day' with great pomp and excitement. There was a special assembly on this day at school. All the helpers were welcomed and greeted with token of love. The assembly started off with a prayer and was followed up with dance performances by students on the songs 'Kaam Bda Ho Ya Chota' and Hum Mehnatkash'. It concluded with a vote of thanks by Mr. Giriraj one of the helpers at school.
