

## **ST. FRANCIS FEAST CELEBRATION (2022-23)**

This feast celebration is celebrated to honour the life of St. Francis, who was born in the 12<sup>th</sup> century. He is remembered for his generosity to the poor and for his love for animals and nature. In fact, he is the patron saint of animals and the environment.

Our Anthonians celebrated this celebration with full of enthusiasm. A special assembly was organized by class-X students. And make this celebration more joyful, there is also post card making competition.

Needless to say that the students were all happy to celebrate our school's patron saint in such a way.
